

**VIII Moscow International Festival of
VISUAL ANTHROPOLOGY
"MEDIATING CAMERA"**

May, 2019

M.V.Lomonosov Moscow State University, N.N.Mikhukho-Maklai Institute of Ethnology and Anthropology of the Russian Academy of Sciences and Moscow State Pedagogical University are happy to invite you to VII Moscow International Festival of Visual Anthropology "Mediating Camera" in May of 2019.

Festival considers documentaries about the cultures of different peoples of the world, made **not earlier than 2016.**

Attracting the attention of a wide range of experts and the audience to the diversity and beauty of the various cultural traditions of the peoples of the world remains our primary concern. But according to the title of our Festival – «Mediating Camera», we especially welcome films in which the dialogue of cultures is carried out through the realization of author's moral responsibility. In addition, the featured topics of the 7th festival will be themes of childhood and museum communities.

A special Debut Competition will be held for those authors who've made their first film .

All screenings will be accompanied by discussions with directors & anthropologists.

You will be able to participate in thematic seminars on problems and perspectives of visual anthropology application in sociocultural and scientific-educational practices.

The deadline for applications: **February 15, 2019.** But we always appreciate your ability to send them as soon as possible.

Selection results will be announced not later than **April 1, 2019.**

All submitted materials stay in Festival archive for non-commercial usage in scientific and educational purposes.

The Festival Organization Committee is considering the opportunities of partial covering of the participants' expenses.
