CALL FOR SESSIONS

We are excited to announce the **Call for Sessions** for the **Vienna Anthropology Days** September 28 - October 1, 2020.

It is our pleasure to welcome **Kirsten Hastrup** from the University of Copenhagen with her Keynote speech on "**Environmental Challenges to Anthropology: Elusive Places, Uncertain Times, Hybrid Fields**".

VANDA aims at bringing together scholars from various fields of anthropology, social sciences and humanities. We are dedicated to creating a conference that is as green and socially inclusive as possible. Furthermore, we aim at offering opportunities for exchange and networking among the participants through a wide variety of social activities. Finally, we want to draw your attention to our **Young Scholars' Forum**. This forum serves as a space for graduate students to network, and improve their academic competences.
